Enhancement Project on State System

This is a local government project sponsored by Sandy City with UDOT oversight. The project will improve the landscaping and aesthetics at the 10600 South Interchange on I-15, which is a gateway to Sandy City. Enhancements will include new landscaping, ornamental fencing, additional cobble rock and gravel mulch areas. The existing irrigation system will be improved with additional valves and watering zones.

Currently Identified Budget: \$540-thousand

Legislative Districts:
Senate: 9,10
House: 41,50

NOTE: Schedule information listed above is estimated and could change without notice based on funding, scheduling constraints, stakeholder issues, and other unanticipated project elements.
